## **KINDER MORGAN CANADA FILES REQUEST WITH THE NEB**

CALGARY, November 14, 2017 – Today, Kinder Morgan Canada Limited’s (KML) subsidiary, Trans Mountain, filed a request to the National Energy Board (NEB) further to its Motion of October 29, 2017 requesting that the Board set up a process to deal with any disagreements, should they arise, with provincial and municipal authorities fairly, transparently and efficiently.

See the full filing on the NEB’s website:

Kinder Morgan Canada Limited (KML) owns an interest in or operates an integrated network of pipeline systems and terminal facilities in Canada. KML's two business segments include Pipelines and Terminals. The Pipelines business unit is composed of the Trans Mountain pipeline system (including the Westridge Marine terminal), the Canadian portion of the Cochin pipeline system, the Puget Sound pipeline system, and the Jet Fuel pipeline system. The Terminals business unit is composed of the Vancouver Wharves terminal in British Columbia and numerous terminals in Edmonton, Alberta.

KML focuses on stable, fee-based energy transportation and storage assets that are central to the energy infrastructure of Western Canada. We strive to promote shareholder value by increasing utilization of our existing assets while controlling costs and operating in a safe and environmentally responsible way.
